Five tips to improve English Speaking Skills

- 1. Don't worry about making mistakes because you will and be patient. This is not a one day process.**
- 2. Talk slowly and carefully. Restrict yourself to simple sentences until you gain confidence.**
- 3. Watch English movies and shows. Carefully observe how proficient speakers of the language pronounce words and frame their sentences.**
- 4. Communicate with your friends, relatives and anyone with regularity. Many online sites offer you the opportunity to voice chat with another user. This is an effective way to practice. The more you communicate in English, the better your speaking skills will be.**
- 5. Read article, books and magazines of your choice. Learn new words everyday. When you hear a new word, try to find its usage, synonyms and antonyms.**
